STEP 1: CREATE AN ACCOUNT

Click "create account".

You should now see the screen below. A username will be created for you (V_). You will keep this username during the entire application procedure. The password is one of your own choice. Belgian citizens or students with a residence permit can use their electronic identity card and a card reader to start filling out the application form. Please note that the name you provide will appear on your letter of acceptance and diploma, so you should make sure it is official and filled out correctly.

TIP: “Name” refers to your family name or surname and “first name” refers to your given name.
THE FIELD “STATUTE”
This field will be filled out automatically for Belgian and European citizens. Non-European citizens will be able to choose from several options:

Students (who will be) staying in Belgium with a student visa should choose “Other”. Students staying in Belgium with a different type of visa can choose the nature of their stay.

BANK ACCOUNT NUMBER
Please leave the field for the bank account number empty.

ADDRESS
Only students with a Belgian national ID number (or Belgian national register number) can provide a Belgian address here. All other students should fill an address from their home country.

CLICK ‘Save’
Once you have filled out the entire page, click “Save” at the bottom of the page.
STEP 2: PRIVACY PREFERENCES

You will be able to adjust your privacy preferences on this page. The university will only disclose your personal information to third parties if you give your permission and if it is deemed beneficial for you.

![Your Privacy Preferences Form]
**STEP 3: PRIOR EDUCATION**

The third step is the **most important step** of the application procedure. This is where you need to fill out the details of your prior education.

**SECONDARY EDUCATION**

Fill out the information of your secondary education in the first tab.

Students who have not obtained their diploma in Belgium should choose “Abroad”.
You can then specify in which country you have obtained your diploma. Fill out the rest of the page when you have done so.

**CLICK ‘SAVE’ TO PROCEED**

After clicking “Save”, you will be asked to fill out the fields regarding your higher education. Leave this page blank if you do not have any higher education.
**Higher Education**
Fill out all required fields and click ‘save’.

**Click ‘Save’**
If you have obtained more than one higher education diploma, please fill out the details again and click ‘save’ again.

The admissions office will screen your file based on this information. It is in your best interest to fill this out as accurately as possible.

Please only mention **diplomas that you have obtained**. Credits obtained in the context of an exchange program do not qualify.
CLICK ‘CONTINUE’
You can now see your prior education at the bottom of the page.

If you have listed (all) your higher education diploma(s) under ‘my higher education’, click ‘continue’.
STEP 4: SOCIAL SERVICES

NOT APPLICABLE FOR FOREIGN STUDENTS

Please note that this page is specifically designed for Belgian students. Students with a student visa are not eligible for a scholarship of the Flemish Community. You can ignore this part and click 'save'.

CLICK ‘SAVE’
STEP 5: PROGRAM REQUEST

Select the programs of your choice on this page.

SCHOLARSHIP PROGRAM
First you are asked if you will receive a scholarship for your program. You will need to submit proof of this later. You cannot apply for a scholarship on this page.

Please leave this section blank. Filling out this page might create a technical error. You can ignore this part and click ‘save’.

Students who have been granted a scholarship can upload the document later at step 6, ‘Document checklist’. It can be uploaded as extra document. If there is no room left, it can also be sent to admissions@vub.ac.be.

WORKING AND STUDYING
Once you have filled out the scholarship information, you can opt for taking day or evening classes. Note: not every program provides evening classes!

You need to fill out additional information if you choose to follow evening classes.

PEL/IEG
PEL / IEG are meant for working students who will apply for paid educational leave with their Belgian employer.

TIP: If you are not currently working for a Belgian employer, choose ‘day classes’ and ‘not applicable’.
Regular students who wish to follow evening classes choose “not applicable”. They also need to confirm their work situation.
CHOICE OF PROGRAM
Finally, you need to indicate the program of your choice.

Please tick the box ‘this is my first enrolment within Flemish Higher Education’ if you apply for your first Bachelor’s program in Flanders. Exchange programs do not count.

Please do not tick the box ‘[…] to combine enrolments’.

Students who require a visa need to study full time!

TIP: If you cannot find your desired training level, check if you have saved your previous higher education, if the scholarship field is filled out (if so, leave it blank) and whether you have selected day classes. All these parameters influence the number of choices in your program request.

TIP: All programs ending with (NL) are programs solely taught in Dutch. If you wish to apply for one of these programs you will need to provide proof of Dutch language proficiency.

TIP: If you cannot find your program whilst you selected a scholarship (on top of this page), leave the scholarship section blank. This information can be added to your file at a later stage. Our office receives lists of all selected scholarship candidates.

CLICK ‘SAVE’
STEP 6: DOCUMENT CHECKLIST

This page contains an overview of all the required documents. These documents need to be uploaded in PDF or JPEG format.

If you do not possess the required documents yet, these can be uploaded later in your Student Self Service. Once you have uploaded (all) the documents, click “Save” and then “Continue”.

For more information regarding the required documents in general, you can consult this link.

The following documents are required for the bachelor in Social Sciences:

- Secondary education diploma
- Copy of identity card and/or passport
- A recent passport picture
- A motivation letter (template)
- Proof of language proficiency (more information)
- Chinese nationals who obtained a degree in China will also need an APS-certificate

**TIP: If you did not obtain your diploma yet, use a registration certificate instead and provide us with preliminary grade sheets.**
**STEP 7: INTAKE SURVEY**

Please note that this page is specifically designed for Belgian students. **You can ignore this part and click 'save'**.

**STEP 8: FINISHING YOUR APPLICATION**

You can now finish your application!

**CLICK ON THE GREEN “FINISH” BUTTON**

Click on the green ‘Finish’ button to submit your application.

**TIP:** Once you have clicked on the button, your application will be mentioned with the status ‘waitlist’ or ‘application’.

**TIP:** Only click on the finish button once per program request. If you applied for the same program twice, try not to finish it at the end. You will receive every communication twice, which may cause confusion.
