NOMINATIONS

Nominated by Belgium as expert in maritime boundary delimitation to the International Hydrographic Organization (IHO) (2005 – ). (click here for the list of IHO experts in maritime boundary delimitation).

Nominated by Belgium as member of the Permanent Court of Arbitration, The Hague, The Netherlands (2006 – ) (click here for the nomination as it appeared in the Moniteur Belge; here for the webpage from where the most recent list of Members of the Permanent Court of Arbitration can be downloaded).

Nominated by Belgium to be included in a Roster of Experts on Marine Scientific Research and Transfer of Marine Technology, as kept by the Secretariat of the Intergovernmental Oceanographic Commission (IOC) of the United Nations Educational, Scientific and Cultural Organization (UNESCO) (2007– ) (click here for the list of ABELOS experts).

PRACTICAL EXPERIENCE

Served as a consultant to governments (to the three levels of the Belgian state structure, i.e. the federal, regional and community level, as well as to foreign governments) and to international organizations (governmental and nongovernmental organizations).

Counsel to the Netherlands in the Arctic Sunrise Arbitration (Netherlands v. Russia). Provisional measures concerning the release of the vessel and its crew were prescribed on 22 November 2013 by the International Tribunal for the Law of the Sea (with 19 votes in favour and 2 against; click here for more information). The Arbitral Tribunal unanimously decided on 26 November 2014 that it had jurisdiction and on 14 August 2015 on the merits, again unanimously, that Russia had breached its international obligations and consequently that the Netherlands was entitled to compensation (click here for more information).
