

MOTIVATION LETTER

Please also upload a comprehensive motivation about why you want to study at the VUB and why you want to apply for a specific program.

You could also describe your future plans, explaining the importance of the program in this regard.

Important elements could be:

- Why do you want to study at the VUB?
- Why do you want to apply for a specific program?
- Describe your future plans and the importance of the program in this regard
- What knowledge or skills are you hoping to acquire by attending the program?
- How will you use the knowledge you have acquired upon returning to your country? How will it fit in with your present or future professional position?
- How will you transfer the acquired knowledge upon returning to your country? Who will benefit from your knowledge?

We advise a motivation letter of about 1 page in length.
