

FRANCQUI CHAIR 2017-2018

MOVING AWAY FROM ANIMAL USE IN BASIC AND APPLIED SCIENCE - THE WAY FORWARD

INAUGURAL LECTURE

“REPLACING ANIMALS IN SCIENCE - IMPOSSIBLE OR INEVITABLE?”

awarded to **prof. dr. Maurice Whelan (JRC, EURL-ECVAM)**

Promotor: **prof. dr. em. Vera Rogiers (VUB, IVTD)**

WHEN

Tuesday February 27 at 15:30

WHERE

**VUB Brussels Health Campus, Laarbeeklaan 103,
1090 Brussels - Auditorium Brouwer**
The lecture will be followed by a reception

Prof. dr. Maurice Whelan is head of the Systems Toxicology Unit of the Institute for Health and Consumer Protection (IHCP) at the European Commission's Joint Research Centre (JRC) based in Ispra, Italy. He is also head of the EU Reference Laboratory for Alternatives to Animal Testing (EURL ECVAM), an integral part of the IHCP. The focus of his unit/ECVAM is on the development, evaluation and promotion of new integrated methods for the safety assessment of chemicals and nanomaterials that do not require testing on animals.

LECTURE PROGRAMME

Tuesday February 27 at 15:30

VUB Brussels Health Campus, Laarbeeklaan 103, 1090 Brussels – Aud. Brouwer

Inaugural lecture title: Replacing animals in science - impossible or inevitable ?

Tuesday March 20 at 13:30

VUB Brussels Health Campus, Laarbeeklaan 103, 1090 Brussels - B017

Lecture title: “Adverse Outcome Pathways”

Tuesday March 20 at 15:30

VUB Brussels Health Campus, Laarbeeklaan 103, 1090 Brussels - B017

Lecture title: “Integrated approaches to toxicity assessment using non-animal methods”

Tuesday May 8 – One day Symposium

Joint activity EU Commission EURL-ECVAM and Innovation Centre 3Rs

VUB Brussels Health Campus, Laarbeeklaan 103, 1090 Brussels – Aud. Brouwer

Symposium title: “Reducing the reliance on animal experiments in basic and applied research”
